Step 1: Fold against the lines for both sides.

Step 2: Follow the lines and fold the four edges inwards.

Step 3: Make sure insert the ends into the square holes.

Step 4: Make sure both ends are inserted properly.

Step 5: Fold the front sides inwards (as it showed in the picture 5). The folded part to prevent the lid from falling.

Final Step: Install the lid, you will hear a 'click' sound that means its done!
